

Programme : B.Sc
Subject : Microbiology
Paper Code : MID 101
Paper Title : Applied Microbiology
Unit : 5- Immobilisation methods and applications
Module Name : Introduction, preparation of immobilized enzymes,
support matrix
Module No : 14
Name of the Presenter : Aureen R Lemos Godinho Gomes

Offline Resources:

1. Dubey,RC.(2004) Immobilised Enzymes In A Textbook of Biotechnology pp 514-519.S.Chand & Co.Ltd, New Delhi.
