

Quadrant II-Transcript and Related Materials

Programme: T.Y.B.Sc.

Subject: Physics

Paper Code: PYD-101

Unit : I (Waves and Particles)

Paper title: Quantum Mechanics

Module Name: G.P. Thomson experiment on electron diffraction.

Module :5

Name of the Presenter: Pradeep V. Morajkar

Glossary of terms/words

F ----filament

B₁ ----low tension battery

B₂ ----high tension battery

P ---- photographic plate

A---anode

Possible misconceptions/clarifications

Case studies and additional examples/illustrations
